

Tensator Charging Station

Keep Customer Devices Charged

Charging station designed for fast charging of up to 10 devices at once. Perfect for airports, hospitals, and other high-traffic, customer-centric spaces.

Features & Benefits

Compact Design: Simultaneously charges up to ten devices, with 6 USB-C/Lightning (with adapters) and 4 Aircharge wireless pads.

Accessibility: DDA-compliant height ensures the lower level is accessible to wheelchair users.

Speed: Fast charging to 100% battery within 20-25 minutes.

Compatibility: Supports Qi wireless charging and is suitable for iOS and Android devices.

Quality: Manufactured in the UK.

Passenger Satisfaction: Boost brand loyalty and improve passenger feedback.

Customisable: Panels can be direct-printed, vinyl-wrapped, or finished in a range of standard paint colours.

Easy To Install: Hub stores all wiring and hardware, so a single power supply is all that is required for installation.

Applications

Suitable for: Airports, hospitals, stadiums, retail spaces, and public venues where convenient device charging and customer satisfaction are essential.
